

Kick-off and Co-Design Workshop “*Integrated Forest Management Learning Architecture’ (InForMAR)*”

7th to 8th of December 2017
European Forest Institute
Platz der Vereinten Nationen 7
Bonn, Germany

Programme

Day 1 (7th of December, 2017)

- 12.00 – 12.30 *Arrival and registration*
- 12.30 – 13.45 *Setting the Stage***
- 12.30 – 12.40 Welcome address
- 12.40 – 12.55 InForMAR – an Integrated Forest Management Learning Architecture (Georg Winkel, EFI)
- 12.55 – 13.05 The practice network: Marteloscope and demonstration sites (Andreas Schuck, EFI)
- 13.05 – 13.15 The policy network: the “European Integrate Network” initiative (Tomáš Krejzar, Czech Ministry of Agriculture)
- 13.15 – 13.25 Production, conservation and further forest functions – how to balance forest management across Europe – a book project (Frank Krumm, WSL)
- 13.25 – 13.45 Discussion
- 13.45 – 15.30 *Keynotes – perspectives on integrated forest management***
- 13.45 – 14.30 Science perspectives:
- Yoan Paillet (IRSTEA) *Integrating biodiversity in forest management: a French perspective*
 - Lena Gustafsson (SLU) *Research and practice on integrated forest management in north Europe*
 - Metodi Sotirov (University of Freiburg) *Policy, Socio-Economic and Ecological Drivers of Integrated Forest Management: Taking Stock and Looking Ahead*
- 14.30 – 14.45 Questions and Answers Session
- 14.45 – 15:15 *Coffee Break*

15:15 – 16:15 Policy and practice perspectives

- Susanne Winter (WWF Deutschland) *Integrated Forest Management as a strategy to conserve forest biodiversity - environmental NGO perspective*
- Peter Loeffler (DG Env) *EU forest-related policy and challenges for Integrated Forest Management*
- Eckart Senitz (Pro Silva Europe) *Pro Silva perspective on Integrated Forest Management - questions towards research*
- Robert Flies (Luxembourg Private Forest Owners) *Integrated Forest Management: A “Civil Partnership” between producing and protecting?*

16:15 – 16:30 Questions and Answers Session

16:30 – 16:45 *Short break*

16:45 – 18:15 Group work

Introduction to group work Day 1

Guiding questions

- *Integrated forest management: “how is it done” in different contexts?*
- *Integrated forest management: socioeconomic driving factors: what determines how it works in practice?*

18:15 End of Day 1

18:30 – 20:00 Joint evening dinner connected with “*Wise use of our forests: the integrative approach*” movie screening

Day two (Friday, 8th of December)

9:00 – 9:30 Presentation of group work findings (plenary)

9:30 – 11:00 Continuation of group work

Introduction to group work Day 2

Guiding questions:

- *What can be done in “practice” to better implement integrative forest management?*
- *How can forest policy support the implementation of integrative forest management?*

11:00 – 11:30 *Coffee break*

11:30 – 12:00 Presentation of findings (plenary)

12:00 – 13:00 Designing future Learning Architecture

13:00 End of Day 2
